

**MT. HOREB AREA SCHOOL DISTRICT**  
**STUDENT TRANSPORTATION AGREEMENT**  
**FOR CO-CURRICULAR ACTIVITIES**

Parents/Guardians,

Occasionally, your children may be involved in instruction, work-study, or co-curricular activities that occur at a location off school premises. Frequently, parents desire to transport their child from the activity in their own vehicle. Students are not permitted to drive themselves to or from a school sponsored event.

In order for students to participate, students and their parents are required to complete the following (please print clearly) **EACH TIME A PARENT WANTS TO TRANSPORT THEIR CHILD:**

I, the parent or legal guardian of \_\_\_\_\_, will be transporting my son/daughter home after today's event. I release the school and its coaches from all supervisory and transportation responsibilities required for my child. I assume these responsibilities upon receiving my child from the coach/advisor at the end of the event.
